No-one in the lower divisions needs any reminding of the financial advantages of a good run in any cup competition. That's one reason why tonight's clash with Scarborough is so important.

Last season we suffered a big disappointment with a first round exit against Chester after building up a two-goal lead from the first leg.

The fact that Chester drew Arsenal in the second round served only to rub salt in our wound.

Of course there is more than just cash at stake. Cup games are always special occasions for the supporters and we are long overdue a tie against one of the big boys.

On the playing side there have been a couple of comings and goings during the summer but I am confident that the existing squad offers a chance to make a mark this season.

Keeping players free from long-term injury - a problem throughout the 1990-91 campaign - is my one wish. At full strength we can give anyone a game.

It was disappointing to miss out on the opportunity to lift the Manx Cup last week. After playing so well to win our group we put up a poor show in losing at Wigan in the final. Tonight we find ourselves up against fourth division opponents who will be as keen as us to make some progress in the Rumbelows Cup. Our overall aim is always to try to win with style, but there are many occasions when you have to go and a scrap and battle for success.

Scarborough will be determined to make things difficult, especially with a home leg to come next week. But I have every confidence in our ability to win through to the potentially lucrative second round. Hope you enjoy tonight's game and see you for the start of the third division programme here on Saturday.

Welcome to "Deepdale Update", our new-look match-day magazine which we hope will prove a reliable source of news and information on all PNE matters as well as giving sound value for money - and some entertainment.

Supporters comments are welcome - any letters on any topic - and we have plans to improve the product still further in coming weeks.

Many fans have written and telephoned about the lack of information on PNE during a barren media summer. The club was very active during that time playing five first team friendlies and four Manx Cup ties.

So, just to keep the customers satisfied and to prove that we WILL answer your requests, here is a complete rundown.

In Conversation with Roy Tunks

FEW goalkeepers stay in the game at a managerial or coaching level once the time has come to hang up the trusty gloves.

Don Mackay and Harry Gregg were two who found soccer life after the green jersey - and Deepdale now has another in PNE first team coach Roy Tunks.

Tunksie retired from the full-time playing side last season after 25 seasons and around 900 League and Cup appearances.

He is puzzled why keepers seem to drift away from the scene: "As a goalkeeper you are ideally placed to see everything that goes on during a game. The other players look to the keeper for guidance and instructions; part of the job is organising the defence. "I was delighted to accept a coaching post at Deepdale, but this isn't my first experience. I was assistance manager to Harry McNally at Wigan and also assisted Harry's successor, Ray Mathias, at Springfield Park.

"The last five years of my playing career brought in a great deal of coaching. Having said that, this represents my first full-time coaching position and I am loving every minute.

"The management team at Deepdale hold a united philosophy on the game and the way we want it to be played.

"We try to be fair and none of us are ranters and ravers. Whenever possible we try to get the message through quietly, but that doesn't mean to say we aren't capable of losing our cool at times!" Although Tunksie - a Football League debutant at 16 - played for more than one club, Deepdale is very much "home".

"This is the place I played the most number of games and spent the longest period of time. I live in the town and have a strong affection for the club.

"I am determined to renew the club's faith in my ability and see no reason why we shouldn't have an exciting season in store."

It has been noted by a few eagle-eyed observers that Tunksie stands alongside the dug-out rather than sits in it during games. "I suppose it has become something of a habit - I was doing that before Kenny Dalglish made it a fashion."

ABOUT THE FSA

The Football Supporters Association was set up in 1985 in the wake of the Heysel stadium disaster. Its main aim was to give football supporters a voice in their game. It has since grown to over a dozen branches in England and Wales with over 5,OOO members.

The FSA has achieved several things in its short existence:

- we led the anti-ID cards campaign
- we ran a highly successful "football embassy" in Cagliari at last summer's World Cup. This provided a drop-in point for fans to obtain information and help. This went a long way towards restoring the reputation of England football fans abroad.
- we presented evidence to the Taylor enquiry into the Hillsborough stadium disaster and the Home Affairs Select Committee report into "Policing Football Hooliganism".

The local branch covers Greater Manchester, Lancashire and Cumbria - 13 league clubs in all. Membership stands at over 400. The branch holds meetings on the third Monday of every month at Parker's Hotel in Manchester. These meetings provide a valuable forum for fans to talk about issues that affect them and to meet fans from other clubs.

Past speakers have included Tom Pendry MP, Clive Tyldesley (Granada commentator), Jimmy Frizzell (Manchester City), James H. Reeve (Piccadilly Radio and BBC Radio 5) and league referee Keith Hackett.

The branch recently held a large public meeting in July to discuss the FA's Blueprint for football. Speakers present included Arthur Sandford (Chief Executive of the Football League), Gordon Taylor (Chief Executive of the Professional Footballers Association), and David Lee (vice-chair of the FSA). This meeting was later broadcast on BBC2's *On The Line* programme.

Refreshing the Memory with Mike Payne

Our visit today from Scarborough brings back memories of our only other meeting in League or Cup. It came on December 13 1975 when we travelled to their Seamer Road ground for an F.A. Cup-tie. Scarborough were in the Northern Premier League at the time and this second round tie, played on a snow covered pitch, was to be one of the high spots of their non-league days.

In the first minute Preston had an amazing escape when Barmby headed a cross by Sean Marshall at goal. Roy Tunks was beaten but Francis Burns was there to clear off the line. Scarborough had the better of the early exchanges and both Gordon Coleman and Mark Lawrenson were both warned by the referee for over robust tackles. In the 25th minute the home side stunned North End by taking the lead. Tunks saved a free-kick but could only push it out. Harry A. Dunn put the ball back across goal and Billy Ayre touched it past the goalkeeper.

TRIVIA

Preston had beaten Scunthorpe in the Ist rd., 2-1 at Deepdale. Scarborough, meanwhile had beaten Morecambe at home by 2 goals to nil. They eventually went out in the Third round to Crystal Palace, again at home, in front of a crowd of 8,008.

CORNER

Preston came back with the perfect reply, equalising three minutes later. After latching onto a good through pass by Burns, John Smith hit a well placed shot out of the reach of Barnard. It was his first goal of the season and in the 34th minute he got another when he forced the ball home following a goalmouth scramble.

TRIVIA

Scarborough were managed at the time by former Leicester City favourite Colin Appleton, whilst Preston's boss was Harry Catterick. The attendance was 4,100 and they paid £2,001 to see the game.

CORNER

The conditions deteriorated after the interval as the snow froze. All the players struggled but Preston seemed to be coasting to victory. On 70 minutes thought Scarborough equalised when John Woodall beat Tunks with a back header. Both sides then missed chances before Marshall popped up in the last minute to hit the winning shot.

The Scarborough fans chaired their heroes off the field and Preston were left to rue their missed chances.

Teams: Scarborough: Barnard; Fountain, Barker; H.Dunn, Ayre, H.A.Dunn; Jackson, Barmby, Woodall, Hewitt (Sub.Abbey), Marshall.
North End : Tunks; McMahon, Williams; Lawrenson ,Sadler, Spark; Coleman, Burns, Smith, Elwiss, Morley.

I remember where I was that day, playing football in prison! Only as a visitor you understand, they had to play all their games at home!! At half-time in our game I tuned into my radio to hear North End were 2-1 up and comfortable. At full-time nearly went into the cells with the prisoners such was my disgust at the final score. And we lost as well! M.P.

SCARBOROUGH FOOTBALL CLUB
BRIEF HISTORY OF CLUB

Founded by members of the Scarborough Cricket Club in 1879, the first league they joined was the Northern League in 1898. Scarborough remained an amateur club until allegations of illegal payments to players forced them to adopt professional status in 1926. They were members of the very strong Midland League for many years, winning the championship with an all time points record in 1929-30. A brief spell in the North Eastern League saw them win the League & Cup double in 1962-63 and in 1968 they became founder members of the Northern Premier League.

Former player Colin Appleton joined the Club as player-coach in 1969 and in his ten years at the helm, he transformed them into one of the top non League sides in the country with three FA Trophy final victories at Wembley during the mid seventies. Scarborough were one of the twenty clubs invited to form the Alliance Premier League in 1979. They won the Bob Lord trophy in 1984 and achieved their greatest ever success in 1986-87 when, under newly appointed Manager Neil Warnock, they won the GM Vauxhall Conference championship, losing only one of their last 25 league matches to pip Barnet for the title and become the first team ever to win automatic promotion to the Football League.

Scarborough finished 12th in their first season in Division 4, despite operating as part-timers. The following season they switched to full-time professional status and enjoyed a memorable campaign, fishing 5th in the League before losing to Leyton Orient in the play-off semi-finals. They also beat Second Division Portsmouth and drew with First Division Southampton in the Littlewoods Cup. Last season, however, was a big disappointment for Boro as they dropped to 18th position in the League. The highlight of a poor season was a magnificent 3-2 win over Chelsea in the Littlewoods Cup, but the next round brought a humiliating 7-0 defeat by eventual finalists Oldham Athletic.

Teachers/P.N.E.

Preston North End have teamed up with Teachers to launch a brand new sponsorship/competition for season 1991-92.

Teachers, the highly-acclaimed Whisky Company based in Glasgow, are to participate in a Player-of-the-Month contest here at Deepdale. The outstanding PNE player of the month - in the opinion of the management - will receive a special 1.5 litre bottle of the famous Highland Cream.

The player with most monthly awards between now and next May will be named as Player-of-the-Year and receive a shield inscribed with his name.

PNE General Manager (commercial) Paul Agnew said: "We are delighted to announce this new sponsorship which should create plenty of interest both inside the dressing room and on the terraces." Pictures of the winning players and a "Teachers Table" will appear regularly in Deepdale Update throughout the season.

After a bright start to the final fixture with Siddall opening the scoring with a simple tap-in goal, PNE were rocked by a Hull side which got on top and scored three times before the interval.

In the second period the young Hindle replaced Bogie, he had only been on the park two minutes when he scored from the edge of the box after receiving a fine defence splitting pass from Williams, but Atkinson soon restored Hull's two goal cushion before Anderton pulled another back with a vicious drive from 20 yards. Smith put the result beyond doubt netting "The Tigers" final goal.

Programme a Hobby

COLLECTING FOOTBALL PROGRAMMES

Part 1 of a series by John Litster, Editor of "Programme Monthly" magazine

INTRODUCING A GREAT HOBBY

Matchday programmes reflect the very best of our great sport. The triumphs and setbacks of the modern game and recorded in their contents; the rich and varied history of the game is best portrayed in nostalgic articles; and the game's personalities are profiled in words and pictures.

For £1 or more, or much less at non-league levels, programmes have an intrinsic, immediate value, unlike stamps, coins, trade cards and such like. Once the match is over, the publication which uniquely represented it takes on a different role, and becomes "a collectible". In the years to come, it will be a store of memories and nostalgia to football fans who can relive the roller coaster of emotions that make up a football season. It will remind readers of otherwise long-forgotten players, managers and personalities, and provide a valuable and authoritative historical and statistical chronicle of a period in a club's history.

That same programme, again down the years, will have even further value to the owner if he or she purchased the programme at the match. In that context it will bring back memories of personal milestones, often during formative years.

In a thriving second hand market, that same programme may complete a "set" for an avid collector. This part of a programme's life introduces the whole ethos of programme collecting and the pleasure it brings to those who participate... the sense of achievement in building and completing sets, the friendships to be made throughout the country and overseas as one corresponds, exchanges, buys and sells with other collectors. Collecting programmes of other clubs and from other countries makes one realise the widespread popularity of our sport, and introduces the collector to other areas of his own country, and those abroad.

Those fascinating features of football programme collecting will be described in a series of articles, along with hints on how to build up and store a collection of programmes.

•Programme Monthly is available from 14 Raith Crescent, Kirkcaldy, Fife, KY2 5NN, priced £1.30 plus 30p postage.

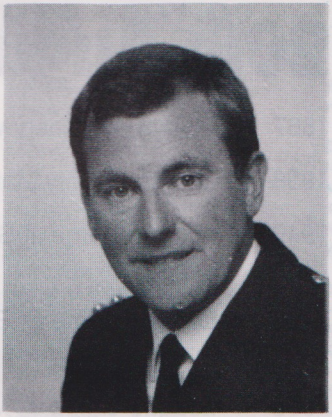
Football Beat



Welcome to football beat. Over the coming season, I will be writing a small article in match programmes relating to football policing matters.

May I take this opportunity to wish all the players, officials and supporters of Preston North End Football Club, a successful 1991/92 season. I cannot think of a crowd of supporters more deserving of success than P.N.E.'s loyal following.

I would also like to take this opportunity to thank the Club's supporters for the way they conducted themselves both home and away last season. The arrest and ejection figures were well down on previous seasons. On a number of occasions, officers from other police forces made a point of contacting us regarding the good behaviour of our supporters. Preston Police look to improve yet further and have adopted initiatives to deal with the very small number of supporters who persist with unacceptable behaviour at matches.

With football hooliganism becoming less prominent over recent years, the policy are now able to devote more resources to improve the quality of service to the football spectator and I would like to reassure you that we realise the vast majority of football supporters are good, law abiding citizens who enjoy watching the sport.

Further football beat articles will cover subjects such as C.C.T.V., Crowd Safety, Special Constabulary and other associated matters. If you have any views on football policing, we would be interested to hear from you and you may write to us at : Football Liaison Office, Preston Police Station, Lawson Street, Preston, Lancashire, PR1 2RJ.

Neil Walsh,
Police Inspector.

Collectors Corner

Welcome to another season of "Collectors Corner" where we will attempt to refresh some of your memories by featuring programmes and other items from games which you may or may not recollect.

Tonight's visitors, Scarborough, have never played here at Deepdale, even though the club was apparently formed back in 1879.

The programmes featured on our page this evening cover the only two friendlies played between the two clubs this century, one in 1975, the other in 1987.

For the 1975 end of season friendly, a 12-page programme was printed and although full of small advertisements, it gave comprehensive coverage of Scarborough's season in the Northern Premier League as well as their F.A. Trophy run which had ended the previous week at Wembley where they were beaten 4-0 by Matlock Town.

The 5p programme gave as much coverage to North End's player-manager, Bobby Charlton as it did to the club itself. A crowd of 3141 saw an entertaining match which was won by P.N.E. with Francis Burns volleying the game's only goal after 75 minutes.

The second programme, a 4-page predominantly white issue was for a pre-season friendly which just happened to be Scarborough's first home game since earning themselves a place in the 4th Division by being champions of the GM Vauxhall Conference league. A poor attendance of 645 saw the home side win the game 1-0.

The only other game between our two clubs we can find was way back in 1887 when P.N.E. beat a Scarborough team 6-1 (1 Sept. 1887). If any Scarborough statistician can give us the P.N.E. goalscorers from the local newspapers of the time, we would be most grateful.
